

INGID eNewsletter May 2010

Welcome to the INGID eNewsletter for May 2010. This eNewsletter is mainly concerned with INGID conference in Istanbul, Turkey from October 6th. To October 9th. of this year.

INGID Fees

However, before discussing that ,it is very important to remind you that, if you have not already paid them, the fees for INGID for the years 2010 - 2012 are now due. If you do not pay them, then from the end of the INGID conference you will not be able to access many of the web pages on the INGID web site because the password will change, and only those members who have paid the fees for 2010 - 2012 will be able to access the web pages and features that are restricted to INGID members only. In addition, if you have not paid your fees then you will not be able to attend the INGID conference at the reduced price.

For information about the fees and how to pay them, and to actually pay them, go to the membership page on the INGID web site

(www.ingid.org)

where the information is available and you can also pay your fees electronically from that page.

The INGID Conference

Submitting Abstracts

June 1st. Is the very last date for submitting abstracts for the INGID Conference, so if you have not already done so, we would urge you to do so quickly. Information on how to submit abstracts for presentations or posters at the INGID conference are available from the Conference web site:

www.esid2010.org

Once you have reached that web page, click on the box labelled 'abstract submission'. That will take you to the page where you can write and submit your abstract .Please think very carefully about doing this because we rely upon your input to make the 2010 INGID conference in Istanbul as successful as previous ones - if not more so.

But do remember that the closing date for abstract submissions is **June 1st**. Unfortunately, no abstracts can be considered for acceptance if they are submitted after that date.
